Dear HBC Family,

Now that school is out for the summer and the temperature is on the rise, we are making final preparation for Vacation Bible School to begin this Sunday evening at 6:00. We are so excited to be able to have Bible School this year after having to miss last year. Our theme this year is "Rocky Railway" and we are sure it is going to be a great week of fun and learning about Jesus. VBS is the largest community outreach events of the year. We must seize this wonderful opportunity to impact our community with the gospel by investing His Word in the hearts of children. It's going to be a great week!

I read an article this week that listed five reasons why you should prayerfully consider volunteering to serve in VBS. Each of the following reasons are a most helpful reminder of why we place a great deal of emphasis on the potential impact of VBS.

5 Reasons to Volunteer for Vacation Bible School:

1. VBS is an exceptional evangelism opportunity!
2. Connections and friendships are made!
3. We can have a lasting impact on the next generation!
4. VBS is a wise way to use your time and talent to serve the Lord!
5. God is glorified when we invest in others!

Serving does not mean you have to teach or be knowledgeable in theology. Serving can be offering a smile or kind word as you hand a child a cookie; it can be walking a group of children from Bible study to recreation and seeing to their safety. No job is too small! They all matter and impact in special ways!

Never forget that I love you ALL and there's nothing you can do about it!
