June 6, 2019

Dear Church Family,
Right now, we are going full blast at another year of Vacation Bible School. I have always loved being a part of VBS each summer for as long as I can remember. It is always a joy to take time to invest the Word of God into the lives of young people and to see them enjoy learning about Jesus. The work of the ministry involves a lot of energy, commitment, sacrifice and effort. I'm very grateful for the sacrifices of God's people at HBC who have made this a very special week.

I was reading an article just the other day on the subject of how God uses ordinary people to do extraordinary things. The article centered on the life of Elijah. No one can deny that he was used of the Lord to do some pretty amazing things. He prayed and it did not rain for 42 months and when he prayed again, the heavens opened with an abundance of rain. Whatever he did, he did with all his heart! He literally reached out to touch Heaven so that his prayers could make an impact on earth. We must remember, Elijah did not make it rain. He simply accessed the authority of God as God sent the rain to end a drought, while bringing food and life back to the barren land. Isn't that exactly what we are doing when we communicate with God on behalf of our family, friends, church, community and our nation? Sure it is. We are reaching out to the holy and sovereign God of the universe believing that He can use us to impact the world. He can and will use us if we will simply believe and trust in Him.

I look forward to seeing everyone this Lord's Day as we celebrate Jesus together!

I love you ALL and there's not a thing you can do about it!
